

ATTENTION VETERANS!

Did you know that the Office of the City Clerk expanded its No-Fee Chicago City Sticker program to include more Veterans?

Read below to find out if you may be eligible for a No-Fee Veteran Sticker for serving our country.

In 2019, the Office of the City Clerk launched a pilot program expanding its No-Fee Chicago City Sticker Program for many of our City's Veterans. Residents who have an Illinois Driver's License or State ID with a Veteran's designation that was issued on or before December 31, 2018 will be eligible to receive one City Sticker for a passenger, large passenger or motorbike at no fee.

Ex-Prisoners of War, Purple-Heart Veterans, or disabled veterans with Illinois PW, PR, IS, or DV plates will remain eligible for City Stickers for no fee.

! *Please note that residents can **only** take advantage of this offer at Office of the City Clerk locations. There will be no refunds for previously issued stickers. Residents will qualify when their sticker is up for renewal.*
