

Electronics & Household Hazardous Waste Recycling Options

City Of Chicago

1150 N. North Branch Street

https://www.chicago.gov/city/en/depts/cdph/provdrs/healthy_communities/svcs/household-chemicals---computer-recycling-facility-overview.html

Dispose of your household chemicals responsibly and recycle your old computers by dropping them off at the City's permanent Household Chemicals & Computer Recycling Facility at [1150 N. North Branch Street](#) (two blocks east of the Kennedy Expressway at Division Street).

When thrown out with our garbage, household chemicals and computers, which often contain hazardous substances, such as lead, mercury, and PCBs (polychlorinated biphenyls) can contaminate our air, soil and water. Through proper disposal methods or recycling, these hazardous substances are reprocessed and reused in an environmentally-responsible manner.

The Household Chemical and Computer Recycling Facility accepts a range of items, including household cleaners, oil-based paints, solvents, cell phones, compact fluorescent light bulbs, computers and related equipment to name a few. **It does NOT accept business/commercial sector wastes, explosives, fireworks or latex paint.** Please review the full list of items in both categories before you visit.

During business hours, an attendant is outside, ready to help unload your vehicle and accept your materials. Materials should not be left outside the facility unattended. Therefore, please do not drop off any items outside of scheduled business hours:

Tuesdays 7 am - 12 pm

Thursdays 2 pm - 7 pm

The first Saturday of every month 8 am - 3 pm

Now it's easier than ever to get rid of your old electronics!

<ul style="list-style-type: none"> • Computer • Computer Monitor • TV • Printer, Fax, Scanner • Keyboards & Mice • VCRs, DVD Players, DVD Recorders 	<ul style="list-style-type: none"> • Video Game Consoles • Portable Digital Music Players • Digital Converter Boxes • Cable & Satellite Receivers • Small-Scale Servers
---	--

Recycle them at one of the [City's drop off locations](#):

GREEN SANCTUARY

Green Sanctuary Electronic & Hazardous Waste Collection

Beverly area residents can safely dispose of household electronic and hazardous household waste from 8:30 to 11 a.m. on Saturday, October 7, by bringing items to the parking lot of Beverly Unitarian Church located at Seeley Avenue and 103rd. The event is organized by the Green Sanctuary Group of Beverly Unitarian Church.

The following electronic items will be accepted: computers, monitors, printers, laptops, peripherals, cell phones and small televisions. The following hazardous household chemicals and items will be accepted: mercury-fluorescent bulbs, antifreeze, used motor oil, oil-based paints, gasoline, paint thinner, aerosol paints, hobby chemicals, car batteries, rechargeable batteries, lawn chemicals, solvents, drain cleaners, pool chemicals, hobby and photographic chemicals, mercury thermometers.

Note: we will also accept clean Styrofoam items for recycling (no packing peanuts). Textbooks and eyeglasses will continue to be accepted for reuse or recycling.

The following items will NOT be accepted: Freon, incandescent bulbs, appliances, alkaline batteries, bio-hazardous products, needles, latex, acrylic or water-based paints, caulk or cleaning products, or other water-soluble products.

Donations are requested at the event to defray collection costs. For more information, contact Eileen Klees at 773-708-5111, eklees@gmail.com or Fran Sowa, 708-229-0390, franepk@yahoo.com
